13.25 - 13.35	Chief Executive's Welcome Paul Rees, Chief Executive of the Royal College of Psychiatrists
13.35 - 14.05	Keynote KN1 President's Valedictory Lecture Professor Sir Simon Wessely, President of the Royal College of Psychiatrists
14.05 - 14.35	Keynote KN2 The strange case of Dr Oliver Sacks Professor Anthony David, Professor of Cognitive Neuropsychiatry, King's College London
14.35 - 15.05	Keynote KN3 The paradoxical place of novelty and familiarity in the consolidation of memory Professor Richard Morris, Research Professor of Neuroscience, University of Edinburgh
15.15 - 16.30	Neurological Disorders MC1 Managing Functional Neurological Disorders Masterclass Chair: Dr Niruj Agrawal, South West London & St George's MH NHS Trust, London Communication and Self-help Dr Jon Stone, Western General Hospital, Edinburgh Neuropsychiatric management Dr Alan Carson, Royal Edinburgh Hospital, Edinburgh MDT & Pathways Professor Mark Edwards, St George's, University of London, London
	Psychopharmacology S1 Current and future therapeutic advances in dementia Chair: Professor John O'Brien, University of Cambridge and Dr Hamish Mc-Allister-Williams, Institute of Neuroscience, Newcastle University The new BAP Guidelines for Managing Dementia Professor John O'Brien, University of Cambridge Therapeutics for Lewy body Dementia: Old and New Dr John-Paul Taylor, Newcastle University Preventing dementia: a realistic prospect? Professor Craig Ritchie, University of Edinburgh
	E-Psychiatry S2 Breaking out of the ivory tower: Innovation to engage clinicians with research Chair: Professor Helen Killaspy, University College London & Camden and Islington NHS Foundation Trust Digital dissemination for research impact Mr Andre Tomlin, Managing Director, MINERVAION LTD Clinicians' attitudes towards mental health research Dr Golnar Aref, University College London & Camden and Islington NHS Foundation Trust Getting off the page—digital media and the future of medical communication Dr Niall Boyce, Editor, The Lancet Psychiatry

15.15-16.30	<p>New Science</p> <p>S2 Repetitive behaviours: latest advances in neurobiology and treatment Chair: Professor Barbara Sahakian, Department of Psychiatry, University of Cambridge</p> <p>Introducing repetitive disorders: obsessive-compulsive disorder and its friends Dr Samuel Chamberlain, Department of Psychiatry, University of Cambridge</p> <p>Impulsivity and compulsivity in self-harm – future treatment targets? Dr Paul Wilkinson, Department of Psychiatry, University of Cambridge</p> <p>The behavioral addictions: reward dysfunction and new treatments Professor Jon Grant, Department of Psychiatry & Behavioral Neuroscience, University of Chicago</p>
	<p>Psychosis</p> <p>TC1 Treatment Resistant Psychosis – part 1 Chair: Dr Fiona Gaughran, National Psychosis Unit, South London and Maudsley NHS Foundation Trust and Institute of Psychiatry, Psychology and Neuroscience</p> <p>The assessment of treatment resistance: current problems and international guidelines Professor Oliver Howes, Dept of Psychosis Studies, Institute of Psychiatry, Psychology and Neuroscience</p> <p>What causes treatment resistance? Professor Sir Robin Murray, National Psychosis Service and Dept of Psychosis Studies, Institute of Psychiatry, Psychology and Neuroscience</p> <p>Clozapine and Mortality Dr James MacCabe, National Psychosis Service and Dept of Psychosis Studies, Institute of Psychiatry, Psychology and Neuroscience</p>
	<p>Quality Improvement</p> <p>S4 Leading Change through Quality Improvement Chair: Dr Adrian James, Registrar, Royal College of Psychiatrists</p> <p>Old problems, new solutions The Lord Nigel Crisp</p> <p>Improvement Science's potential: better mental health outcomes Mr Pedro Delgado, Executive Director at the Institute for Healthcare Improvement and Head of Europe and Latin America, Institute for Healthcare Improvement (IHI), USA</p>
16.30-17.00	Coffee
16.40-17.00	Rapid Fire Poster Presentations (Lennox Concourse)
17.05 -18.20	<p>Neurological Disorders</p> <p>MC2 Managing Functional Neurological Disorders Masterclass Chair: Dr Niruj Agrawal, South West London & St George's MH NHS Trust, London</p> <p>Individualised psychological treatments Professor Laura Goldstein, Institute of Psychiatry, Psychology and Neuroscience, London</p> <p>Group treatments Dr Sarah Cope, South West London & St George's MH NHS Trust, London</p> <p>Treatments beyond Dr Norman Poole, South West London & St George's MH NHS Trust, London</p>
	<p>Psychopharmacology</p> <p>S5 Off-label prescribing: A Journey without Maps? Chair: Dr Maxine Patel, Oxleas NHS Foundation Trust</p> <p>Off-label prescribing by psychiatrists: the road not taken? Professor David S. Baldwin, Clinical and Experimental Sciences (CNS and Psychiatry), Faculty of Medicine, University of Southampton</p> <p>Off label prescribing in child and adolescent psychiatry Dr Aditya Sharma, Academic Psychiatry, Institute of Neuroscience, Newcastle University</p> <p>Prescribing in pregnancy Dr Liz McDonald, Chair of Perinatal Faculty, Royal College of Psychiatrists</p>

<p>17.05-18.20</p>	<p>Academic S6 Meet the Academics – the next generation Chair: Vivienne Curtis, London</p> <p>Interested in finding out more about academic psychiatry but not sure what it actually is or how to go about it? Come along to this session to find out more about what drives current career academics to how they have made decisions about research paths and locations and shaped their careers.</p> <p>The Royal Mile to Academic Psychiatry, via bewitching backstreets James Walters, Senior Lecturer, Cardiff University</p> <p>Clinical Academic career development Mandy Johnstone, Wellcome Trust Clinical Academic Career Development Fellowship Scheme, Edinburgh and Katie Marwick, 1st year of Clinical Lectureship, Edinburgh</p> <p>Academic psychiatry at home and abroad: what are my career options? Professor Paola Dazzan, Kings College London and Professor Steve Kisely, The University of Queensland, Australia</p>
	<p>New Science S7 Big data and using electronic patient records to identify mental health inequalities: Potential, pitfalls and possibilities Chair: Dr Chris Evans, Senior Lecturer in Psychotherapy Research, Department of Psychology, University of Roehampton</p> <p>Dr Jayati Das-Munshi, Institute of Psychiatry, Psychology & Neuroscience, King's College London</p> <p>Dr Mark Ashworth, Department of Primary care and Public Health Sciences, King's College London</p> <p>Dr Peter Schofield, Department of Primary care and Public Health Sciences, King's College London</p>
	<p>Psychosis TC1 Treatment Resistant Psychosis – part 2 Chair: Dr Fiona Gaughran, National Psychosis Unit, South London and Maudsley NHS Foundation Trust and Institute of Psychiatry, Psychology and Neuroscience</p> <p>Innovations in digital psychological interventions for persistent voices and paranoia: the AVATAR and SlowMo trials Professor Philippa Garety, Dept of Psychology, Institute of Psychiatry, Psychology and Neuroscience, King's College London and South London and Maudsley NHS Foundation Trust</p> <p>Genes, schizophrenia and treatment response Professor Michael O'Donovan, Division of Psychological Medicine and Clinical Neuroscience, Cardiff University</p> <p>Stimulating thought; brain stimulation in psychosis Professor Sukhi Shergill, National Psychosis Service, South London and Maudsley Trust and Dept of Psychosis Studies, Institute of Psychiatry, Psychology and Neuroscience</p>
	<p>Quality Improvement S8 Learning from the three largest QI programmes in mental health Chair: Dr Adrian James, Registrar, Royal College of Psychiatrists</p> <p>Building a movement and infrastructure for QI at scale at East London NHS Foundation Trust Dr Amar Shah, Consultant Forensic Psychiatrist and Associate Medical Director for Quality at East London NHS Foundation Trust (ELFT)</p> <p>Improving safety and reducing harm- the Scottish Approach Dr David Hall, Health Improvement Scotland National Clinical Lead for the Scottish Patient Safety Programme in Mental Health, and Consultant Psychiatrist, and Deputy Medical Director, NHS Dumfries and Galloway</p> <p>The TEWV Quality Improvement System: Adding value for patients, staff and the community Dr Ruth Briel, Senior Clinical Director at Tees, Esk & Wear Valleys NHS Foundation Trust (TEWV)</p>

18.30-19.00

Keynote

KN4 Keynote Speech by Cabinet Secretary for Health and Sport

Ms Shona Robison, Cabinet Secretary for Health and Sport

19.00-20.00

Blake Marsh Welcome Reception

8.00-9.00	Registration and Coffee
8.30-9.00	<p>Social and Legal Discrimination against individuals with mental illness Professor Dinesh Bhugra, President of the World Psychiatric Association</p>
9.00-9.30	<p>Keynote KN5 Healthy Cognitive Ageing: The Lothian Birth Cohort Studies Professor Ian Deary, Professor of Differential Psychology, University of Edinburgh and Director of the Medical Research Council Centre for Cognitive Ageing and Cognitive Epidemiology</p>
9.40-10.55	<p>Clinical Practice MC3 Identifying and managing risk in maternal mental illness Chair: Dr Roch Cantwell, NHS Greater Glasgow and Clyde</p> <p>Why maternal risk concerns all psychiatrists: lessons from the confidential enquiries into maternal deaths Dr Roch Cantwell, NHS Greater Glasgow and Clyde</p> <p>Predicting risk of severe maternal mental disorder: what the latest evidence tells us Professor Ian Jones, Cardiff University</p> <p>Balancing risk and benefit of prescribing in pregnancy and breastfeeding Dr Liz McDonald, Royal College of Psychiatrists</p>
	<p>Neuropsychiatry TC2 Disorders at the interface of neurology and psychiatry: Core skills in neuropsychiatry Course Leader: Alan Carson</p> <p>A five minute neurological examination Professor Adam Zeman, Professor of Cognitive Neurology, Exeter</p> <p>Cognitive examination beyond the MMSE Professor Adam Zeman, Professor of Cognitive Neurology, Exeter</p>
	<p>Driving Change S9 Brexit and psychiatry: What has the EU ever done for us? Chair: Dr Howard Ryland, President Elect European Federation of Psychiatric Trainees and Specialist Registrar in Forensic Psychiatry, South West London and St. George's Mental Health NHS Trust</p> <p>Standards in Education: Promoting Free Movement of Professional Excellence Dr Andrew Brittlebank, Vice President (Training), Union Européenne des Médecins Spécialiste (UEMS) Section of Psychiatry</p> <p>Brexit and beyond: The view from the European Psychiatric Association Dr Julian Beezhold, Secretary General, European Psychiatric Association</p> <p>Brexit: One step forwards, Two step backwards Professor Dinesh Bhugra, President, World Psychiatric Association</p>
