BNPA 2017 Evening Reception - Thursday 23rd February 7-10 pm

The BNPA AGM would not be the same without it's members' reception, and 2017's will be held at:
The Museum of the Order of St John, St John's Gate, St John's Lane, Clerkenwell, London.

£45 Includes Food, drinks and performance by the Fourth Choir

Discover the unique and fascinating story of an ancient religious military Order, from its origins caring for sick pilgrims in eleventh century Jerusalem, through to its modern-day role with St John Ambulance, the international first aid charity.

The Fourth Choir formed in 2013 with the aim of representing the LGBT+ community on London's classical music scene. Starting with just 17 singers, the Choir now has more than 50 members and has performed at the Royal Festival Hall, Kings Place, London Art Night at the ICA, the Café de Paris, the Queer Arts Festival in Antwerp and at the Concertgebouw in Amsterdam. Their repertoire covers almost a thousand years of music from Hildegard von Bingen, through Renaissance masterpieces by Byrd, Tallis and Victoria to contemporary music, Prince and Rufus Wainwright. Their programme will have a Valentine's Day theme with pieces celebrating the pleasures and pains of love.

Ensure you book your place when registering for the AGM
